TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Lyndeborough in
the County of Hillsborough in said State,
qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall
in said Lyndeborough, on Tuesday, the tenth day of
March next, at seven-thirty of the clock in the evening,
to act upon the following subjects:

1. To choose all necessary Town Officers for the
year ensuing.

2. To raise such sums of money as may be neces-
sary to defray town charges for the ensuing year and
make appropriations of the same.

3. To see if the Town will vote to authorize the
Selectmen and the Town Treasurer to borrow money
in anticipation of the collection of taxes for the current
municipal year, or take any vote relative thereto.

4. To hear reports of all committees, including the
Special Committees on Driveway Plowing and Town
Dump, or take any votes relative thereto.

5. To see if the Town will vote to raise and appro-
priate the sum of \$650.00 to repair and widen the Put-
nam bridge, so-called, or take any vote relative thereto.

6. To see if the Town will vote to raise and appro-
priate the sum of not exceeding \$15,000.00 for the pur-
pose of making improvements of the following Class V
road within the Town under T.R.A. accelerated pro-
gram; — beginning at the corner at the home of Robert
Johnson over Cram hill to the Wilton road; — such sum
to be raised through the issuance of bonds or notes
under and in compliance with the provisions of Chap-
ter 241, New Hampshire Revised Statutes Annotated,

and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of Lyndeborough, or take any action relative thereto.

7. To see if the Town will vote to raise and appropriate the sum of \$7,200.00 for the purchase of a road grader for the Highway Department or take any vote relative thereto.

8. To see if the Town will vote to raise and appropriate by Municipal Notes and Bonds the sum of \$3000.00 for a 1958 Cab, and Chassis — or \$1274.00 for a near gear driven centrifugal Pump — or \$1300.00 for new cabinet Body and 600 gallon tank — or \$5,274.00 for a new Tank truck, or take any action relative thereto. (By Petition)

9. To see if the Town will vote to accept the budget as prepared by the Budget Committee or make any alterations thereto.

10. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-first day of February, in the year of our Lord nineteen hundred and fifty-nine.

HAROLD P. PARKER,
ARTHUR V. FULGONI,
JOSEPH H. FAY, Jr.,
Selectmen of Lyndeborough.

AUDITORS' REPORT

This is to certify that we have examined the books, receipts, payments, and reports of the Selectmen, Treasurer, Town Clerk, Tax Collector, Road Agent, Police Officer, Library Trustees, Trustee of Trust Funds, Board of Health, and Memorial Day and find them correctly cast and properly vouched for the year ending December 31, 1958, to the best of our knowledge.

EDWARD H. SCHMIDT, JR.
BARBARA MAKI,

Auditors.

February 23, 1959.

REPORT OF PLANNING BOARD

The Planning Board have had several meetings on the advisability of zoning and are of the opinion that the Town should be one zone and the same rules and regulations should govern all of the town.

We have had two Public Meetings to discuss the use of land and have changed some of the Regulations to meet their wishes. We will have these regulations in printed form for your consideration at Town Meeting.

Respectfully submitted,

WILLIAM D. SHINN, JR., Chairman,
MRS. MARION THOMPSON,
Secretary,

E. GEORGE WARREN,
MRS. EDITH D. ROSS,
ARTHUR V. FULGONI.

LIBRARIAN'S REPORT

To the Citizens of Lyndeborough:

Another year has passed and it is time to make my report to you about our library.

Our hours are the same as last year. Mondays only, in the summer, 2:30 to 5:00 and 7:00 to 8:00; and in the winter, 2:30 to 6:00.

The Bookmobile made its usual calls bringing us some fine books, which have been very popular.

In the spring, Miss Harper from the State Library, visited the Library and met the trustees. She gave us some excellent suggestions which we all appreciated.

Miss Marion Kanter loaned us some postal cards of birds and wild flowers for an exhibit. We borrowed some bird books. This display was enjoyed very much by the children.

In my report of last year, I spoke of needing a larger bulletin board. In December we were fortunate to be able to purchase one from Mr. Ralph Dwire. It is now in place and very much in use, and for this we are very grateful.

Rest room accommodations are still a necessity. I am hoping we can have them before long. I feel it would be to our advantage if they were made available. Many times we could entertain other librarians for the various neighborhood meetings that are held all over the state.

In the summer Mrs. Rodney Whittemore of Belmont, Mass., gave us some good books.

The school children use the library more and are very prompt in returning their books. It is a pleasure to be of service to them.

We continue to receive that very fine magazine, **American Heritage**, from Mr. and Mrs. Herbert Kimball. It is becoming more popular with each issue.

The **Popular Science**, **McCalls**, **National Geographic**, **Saturday Evening Post**, **Look**, **Time**, **New England Homestead** continue to be read by all.

Dr. Fay kindly gave us some magazines, **Natural History**, **Scientific Monthly** and others which have proved to be very helpful and interesting. I have noticed several of the high school boys reading these.

Our circulation for the past year has been very good and is as follows:

Fiction

493

Non-Fiction	294
Juvenile	555
Bookmobile	251

Below is a list of a few new books we purchased recently:

Juvenile:

Australia, Land of the Southern Cross —Bryce Kinnear

Adult:

Profiles in Courage —Sen. John F. Kennedy

The Rights of the People —William O. Douglas

Life of Christ —Fulton J. Sheen

Untold Glory —Cothburn O'Neil

Count Down for Tomorrow —Martin Caidin

Old American Houses 1700-1850 (how to restore,
remodel and reproduce them) —Henry L. and
Ottalie K. Williams

2 Volume Set of the Concise Encyclopedia
of American Antiques —Helen Comstock

American Heritage Book of the Revolution
—Edited by the American Heritage Magazine

Miss Alcott of Concord —Marjorie Worthington

Pebbles in a Pool —Elizabeth Yates

We hope to be able to carry on and be of service
to all who visit us.

Respectfully submitted,

MARION P. STEARNS,
Librarian.

December 31, 1958.

REPORT OF THE BUILDING INSPECTOR

Building permits issued in 1958:

- Jan. 4: Am. Tel. & Tel. Co., relay station (project abandoned)
Apr. 23: Arthur L. Gallant, addition of two rooms
May 3: Charles F. Wilcox, sap house
May 3: George A. Parker, addition to loading platform
May 15: Marion B. Siggins, addition of one room
Aug. 26: Jean Griffiths, new house
Nov. 7: Harold F. Battles, new house

The chairman of the Board of Selectmen is the Building Inspector to whom application should be made for new construction, additions, or alterations as defined in the Building Regulations adopted March 8, 1955.

Application forms are available from the Building Inspector, also copies of the Building Regulations in pamphlet form.

Building permits automatically expire if construction is not started within six months of the date of permit. Any new construction should be promptly reported to the Building Inspector and the property owners warned to apply for permit if required by the ordinance.

HAROLD P. PARKER,
Building Inspector.

Treasurer, History Committee.

REPORT OF THE FIRE DEPARTMENT

There were nine fire calls for the year ending December 31st: two woods fires; one trash fire; one chimney fire; two logging camp fires; one sawmill fire; and two house fires. Fire damage was much greater this year than in the past few years, and one life was also lost due to fire and suffocation. The Fire Department hopes that the forthcoming year will bring few fire calls.

During the past year the Department has accepted four new members, and lost one due to moving from town.

This year the members of the fire department thought that the townspeople should begin to think in terms of replacing some of the fire equipment. Therefore, an article has been placed in the Town Warrant asking for certain sums of money for that purpose. We do not know how many of the townspeople are fully acquainted with the two pieces of apparatus that we have, but I will try to outline them briefly. We have a 1936 Chevrolet truck which is used as our pumper, and carries our 2½" and 1½" hose, ladders, extinguishers, raincoats, helmets, etc. This truck also has a 100 gallon tank, and is equipped with a 500 G.P.M. front end pump. The other truck is a 1938 Ford with a 600 gallon tank, 500 G.P.M. front end pump, and carries Indian tanks for brush and forest fires, forestry tools, and some lengths of 1½" hose. This truck also has a two-way radio which the department bought and installed. The main concern of the department is this tank truck. This truck carries the brunt of all our fire calls. It gives us water at fires where other water is not available, until other help arrives, or until our pumper can hook up to an available source. It goes to all chimney fires, and forest and brush fires, and has given tremendous service to the Town. This service is more and more in doubt for the future due to the wear and tear the truck has had. Another reason in asking for replace-

ment for this truck is the trouble encountered during the winter months due to freezing of the front end pump, and the exposed piping from the tank to pump, and from pump to booster reel. A new truck would not give this trouble, due to the pump and all other critical points being heated from the exhaust system. Also the new pump could be engaged while the truck is on the road which would give further protection. A new tank truck would give the Town many many years of fire protection we should have and need.

Respectfully submitted,
ROBERT C. MACKINTOSH,
 Chief, Lyndeboro Volunteer Fire Dept.

FOREST FIRE WARDEN REPORT

(Less Social Security)

May 13: West part	\$26 20
May 24: Training meeting	19 95
August 13: North part	39 04
October 11: West part	59 71
December 31: Warden's expenses	22 00
	<hr/>
	\$166 90

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate

burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you — personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

Use your town dump.

Number of local fires	3
Number of acres burned	.625
Number of permits issued	77

WINTHROP HANNAFORD,
District Fire Chief.

EDWARD SCHMIDT,
Forest Fire Warden.

WARRANT FOR ANNUAL SCHOOL MEETING

The State of New Hampshire

To the Inhabitants of the School District in the Town of Lyndeborough, qualified to vote in district affairs:

You are hereby notified to meet at the Lyndeborough School in said district on the twelfth day of March 1959, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to raise and appropriate a sum not to exceed \$1800.00 to provide for a part-time extra teacher's salary, including retirement and social security payments, for the first and second grade room, if and when such extra teacher is deemed necessary, due to number of pupils in said grades, or take any action relating thereto.

10. To see if the District will vote to raise and appropriate a deficiency sum of \$1,351.93 for the purpose of defraying additional costs related to unanticipated tuition costs for the school year 1957-58 necessitating an advance on the 1958-59 appropriation, such sum to be made available to the School Board prior to June 30, 1959, or take any action relating thereto.

11. To see if the District will vote to accept the provisions of Chapter 200, Sections 15-25 R.S.A. regarding the appointment and duties of school physicians, or take any action relating thereto.

Given under our hands at said Lyndeborough this 13th day of February 1959.

OLIVE BULLARD,
BEATRICE WILCOX,
GUY REYNOLDS,
School Board.

Superintendent's Report

To the School Board and Citizens of Lyndeborough:

I respectfully submit my second annual report as your Superintendent of Schools.

Staff and Instruction

Our school opened this fall with the same basic staff as last year. Mrs. Adelaide Herrick continues as teacher of grades three and four and acts as Principal of the building, Mrs. Alice Smith continues in grades one and two and Mrs. Mildred Peters in grades five and six. Due to the action taken at the last School District meeting a helping teacher, Mrs. Helen Dwire, has assisted in grades one and two where enrollment has numbered thirty-seven. This part time addition to our staff has made it possible for youngsters in these grades to receive a very sound foundation in the fundamentals, especially reading and also in the areas of arithmetic, spelling and writing. Even though most of the work of Mrs. Dwire has been in the primary room, help has also been provided by her presence on the staff for those youngsters in upper grades, who have been experiencing difficulties, especially in the fundamental area of reading. It is felt that this addition to the staff has resulted in a very marked improvement in the level of instruction being provided for the children of Lyndeborough. It appears that during the coming school year a similar number of youngsters is going to be within these two grades, making it very desirable to continue to have the help of an assisting teacher in this room. The School Board is making it possible for the School District to make a decision relative to this matter by providing an appropriate article within the Warrant. It is felt that any parents who have visited this primary grade situation and seen the kind of work that was being done, the individual attention that was being provided, and the thoroughness with which ma-

terial was being covered, would readily state that this has been a wise expenditure of money. This statement is being made in spite of the fact that all realize the financial anxieties of the town. When one comes right down to it, it is very difficult to put a dollars and cents value on a good, sound education, because it is an investment which continues to pay a child, parents, and the community endlessly.

Miss Sybil Beatham continues to supervise the health of our children as School Nurse with Dr. Sheris performing the duties as the School Physician. Mr. Harry Holt continues as School Custodian to maintain our building in a commendable state of appearance and cleanliness. Mrs. Barbara Shinn continues to manage the School Lunch effectively, efficiently and for the benefit of the children of the community. The instrumental music program, under the guidance of Mr. Edward Hamilton, continues to make satisfactory progress. At this writing nine children are involved in the program and plans are being made to coordinate instrumental activities with children from Wilton and also Appleton Academy. Many people were very favorably impressed with the presentations which were made at the Lyndeborough School and in the Wilton School last spring, both of which were participated in by the children of Lyndeborough. Even though a Music Supervisor has not been provided for the children of the Lyndeborough School for quite a number of years, this instrumental music program helps in some small way to fill this very important need.

The maintaining of our complete staff from the previous years has meant the continuation of a stable, sound educational organization within our school. Lyndeborough can very well be proud of the fact that children are graduating from school regularly, year after year, and moving along to High School to lead their grades academically and socially. This pattern which

has been set for many years has continued with the youngsters who have most recently moved to the High School level.

Buildings and Grounds

The buildings and grounds are generally in good condition, a few modifications having been made to improve them beyond their previous status. The baseball backstop has been moved to the area next to road in the interest of safety. In its previous position many times baseballs were hit over the fence making it necessary for youngsters to go into the road. In its present location the worst that can happen is for the baseballs or softballs to be hit into the nearby brook. The condition of the roof which has been a source of difficulty ever since the original building was constructed has been repaired during this present school year but is still leaking to some extent to the discomfort of teachers and pupils. However, the contract was let with the understanding that work would be guaranteed and it is felt that in the spring additional repairs will be provided by the contractor to bring to an end this source of difficulty once and for all. Ever since the building of the most recent addition, in the spring, the school has been at times inundated with water caused by an improper flowage away from the building. During this school year a drain has been implanted in the ground in the area of the new exit, leading the water by pipe underground to the edge of school district property. Up to this point, the arrangement has satisfactorily eliminated water that had in many previous cases piled up in this general area. A complete test of this water runoff system, however, cannot be made until after the spring thaws set in and the ground loses much of its snow cover.

Special Articles

Article No. 9 gives the District an opportunity to

vote to raise and appropriate money to the extent of \$1800. to provide for an assisting teacher in the primary room continuing the program which has been started this year. This amount will include teacher's salary, retirement and Social Security. The worth of this program, the work being accomplished and the results being achieved have already been noted previously in this report.

Article No. 10 is an article which has been made necessary by a deficiency which developed in the last school year. It requests the District to vote to raise and appropriate the sum of \$1351.93 to pay for additional tuition costs which were the responsibility of the District and which has not been budgeted for. The increase in tuitions was brought about singularly by the increase in enrollment above those anticipated at the Junior and Senior High School levels. The budget for 1957-58 called for an expenditure of \$13,105.00 for tuitions, while actual expenditures totaled \$14,475.00, a deficiency of \$1370. This compares with an actual overall deficiency of the School District at the end of June 1958 of \$1,351.93 which amount was drawn from the 1958-59 appropriation to meet the premium on bonds which became due at the end of June.

Finance

The School Board's budget calls for a total appropriation for 1959-60 of \$48,479.37, an increase of \$3,895.52 over last year's. However, additional income in the form of Foundation Aid plus income anticipated to be forthcoming from the education of foster children means that the probable assessment necessary to meet the School Board's budget will be \$39,119.37, an increase of \$2958.52 over the previous year's assessment as fixed by the State Tax Commission. All the increases in the budget are brought about by increases in two items within the budget. In Item No. 16, Transportation, an increase of \$159.00 has been brought about by

the anticipation of additional mileage to be travelled by the bus to pick up youngsters coming to the school for the first time from the Johnson Corner area. This increase is made necessary by statutory obligations for providing transportation to children of the District. The bulk of the increase in the overall budget is brought about by the increases in the costs of High School tuitions — increased tuition costs per pupil and additional numbers of children attending High School. The increase of \$5,513.00 is brought about by an increase in the tuition rates at Wilton High School for the year 1959-60, increasing at the elementary level from \$215.00 to \$240.00 per pupil and at the High School level increasing from \$285.00 to \$320.00 per pupil. Even though this is a sizable increase in tuition costs it should be noted that the actual costs of elementary education in Wilton is over \$250.00 per pupil. If Wilton's tuition costs for the seventh and eighth grade children were separated from the other elementary tuition costs it would probably be found that the costs of this Junior High education was even more than \$250.00. The increase in High School tuitions at Wilton, even though comparatively large, is still almost \$70.00 below the state average of \$388.00 which is being charged by many schools in the state and many in the Monadnock area. For the current year Lyndeborough has nineteen children receiving Junior High School instruction at Wilton and thirty-three children at the Senior High School level. In 1959-60 it is expected that thirty children will be attending school at the Junior High School level and thirty-five at the Senior High School level. A close examination of census estimates for the coming years indicates far heavier costs in this area than are presently being borne. The Junior High School enrollment for the next five years holds steadily at thirty or more children, while the Senior High School level increases from the present thirty-three to sixty children

in 1963-64. If estimates are made as to tuition costs in 1963-64, it might be expected that Lyndeborough will be paying as much as \$33,000.00 for Junior and Senior High School education. This estimate if anything is a conservative one and presumes that no pupil increases occur above those that are presently anticipated.

Fortunately there are several areas within the budget that call for decreases which make it possible to hold the overall increase in assessment under \$3,000. The biggest decrease is in Item No. 6 under Teachers' Salaries where reduction of \$1150.00 is brought about because of the exclusion from the School Board's budget of provisions for an additional part-time teacher, which is included in the present budget. The decrease in Teachers' Salaries of \$1150.00 covers up to some extent the fact that increases for the teachers of the school have been provided. These increases are the smallest being made within Supervisory Union No. 63. This fact when taken with the fact that the average salary paid in Lyndeborough for teachers is the lowest within the Union indicates that great economy is being exercised in this area. The average elementary woman teacher's salary in New Hampshire is above Lyndeborough's average. Lyndeborough's average is almost \$200.00 below the average of teachers in town elementary schools, and the average also lies within the lowest twenty percent of salaries for elementary women teachers within the state. It is not known how long such economies in this area will be possible.

A decrease in Item No. 12 of \$111.00 for Fuel has been budgeted in the hope that a more favorable price can be obtained through competitive bidding, a practice which has not been followed in the past. In Item No. 19, Teachers' Retirement, there is a reduction because of the fact that Teachers' Retirement has not been budgeted for the part-time teacher which was necessary during the present school year. In the area

of Capital Outlay, Items No. 21 through to No. 23, there is a total reduction of \$405.00 because previous budgets had called for work to be done in tarring, roof repairs and in the purchasing of additional desk units which are not being anticipated as being necessary for the coming school year. Item No. 26, Interest on Payments of Principal, is reduced because of a gradual paying off of the costs of the addition and original school building.

Conclusion

In closing, I wish to thank the Lyndeborough School Board, the staff, the Budget Committee, parents and friends of the school for their help, cooperation and assistance in continuing a sound educational program for the children of Lyndeborough.

KENNETH A. SARGENT,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

Number of visits made to school by Nurse	15
Number of defects found by Dr. E. Sheris on his annual examination:	
Post-nasal Drip	3
Enlarged Cervical Gland	5
Enlarged Tonsils	1
Upper Respiratory Infections	5
Defective Teeth	1
Enlarged Adenoids	1
Number of defects found by Nurse:	
Enlarged Tonsils	8
Nits	4
Reddened Throats	Many
Home Visits Made	1

Special activities conducted by Nurse:

Weighed and measured all children.

Records kept on all children and forwarded to new schools upon transfer from one town to another.

Assisted in the examination of the children with Dr. Sheris.

Sent reports to those parents whose children had defects.

Arranged for Dental Clinic to be held at the school by Dr. Roy. Permit slips sent home, etc.

Screened the vision in the first two grades by means of the telibinocular.

Checked color perception of the children in the fifth and sixth grades by means of the color charts.

Attended the National Convention of the American Nurses Convention at Atlantic City as a delegate of the N. H. S. N. A. School Nurses Section. This was a week long convention with the emphasis on School Nursing.

Pre-school Clinic in May for registration of the first grade pupils.

Communicable diseases during the year:

Whooping cough in September.

Asiatic Flu in October and November.

Scarlet Fever in February and May.

Respectfully submitted,

SYBIL M. BEATHAM, R.N.,

School Nurse.
